Dear Mona,

We are pleased to welcome you as a PTC member school for the 2025-2026 school year. Your printable PTC membership certificate is attached; we hope you will display it proudly! Also attached separately is a PTC member logo for placement on your school website.

YOUR MEMBER BENEFITS INCLUDE:

- Access to 5 private email forums, putting you in touch with thousands of international educators who share similar challenges and opportunities ALL YEAR LONG
 - PTCnet, for principals, assistant principals and curriculum directors, putting them in touch with over 1500+ colleagues
 - TLInet for teacher leaders, including department/subject heads, grade and year group leaders
 - GovernanceNet for board members and owners
 - AdmissionsNet for admissions personnel
 - CTCnet, for counselors or others who perform pastoral care

How it works:

- By 1 September, the staff for whom you provided contact details at the point of registration will each receive an email with instructions on how to participate.
- You may send us additional personnel at any time.
- Let your staff know that they are members of this online community of over 1500 at your request so they do not opt out!
- A 10% reduction of program fees for any PTC, TTC, CTC, GTC (governance) or TLI (Teacher Leader Institute) program.
- Priority registration for all programs as well as priority placement on waitlists.
- A 10% reduction on consulting fees. The PTC offers on-site workshops and seminars to individual schools or groups of international schools for school governance, teachers, principals, counselors and business leaders. Schools may opt for pre-set workshops or choose custom workshops, tailored specifically to your own school.
- **NEW! New programs and opportunities for boards and owners.**
- View your school listing as a PTC member school on the PTC website.
- If you created an account while signing up for this membership you can access your school membership account online.

We extend our deepest appreciation for your support. Along with many other quality schools around the world, you have contributed to the further development of international school educators.

Warmest regards,

Bambi Betts, Director
PTC, TLI, CTC, GTC
