COUNCIL OF INTERNATIONAL SCHOOLS

The school has agreed a uniform which we regard as a practical, distinguishing feature that helps the pupils to feel a part of the school and gives a formal appearance. It is the expectation of the school that all pupils wear the uniform.

In addition to the above guidelines there are some rules which must be adhered to by all students:

- Hats must not be worn in and around the school buildings.
- No denim should be worn in school.

At Gulf English School, we believe that a clear and consistent uniform policy fosters a sense of identity, pride, and discipline within our school community. We appreciate the support of parents and guardians in ensuring that students adhere to the uniform guidelines each day. By wearing the correct uniform, students represent the values of the school both inside and outside the classroom. Together, we can maintain a respectful and focused learning environment for all.
